Montedolce

CLASSIFICATION	Etna Rosso D.O.C.
TYPE	Red
REGION	Sicily - Etna
PROVINCE	Catania
GRAPE VARIETY	80% Nerello Mascalese, 20% Nerello Cappuccio
HARVEST	Manual

VINIFICATION

Both the alcoholic and malolactic fermentation happens in steel at controlled temperature.

MATURATION

60% of the wine matured in steel, the 40% in french oak tonneau of second and third step, for a period of 12 months with pouring and periodic filling. Then the wine is assembled and bottled without being filtered. It matures in bottle for 4 months before the selling.

TASTING NOTES

Ruby red in colour, with an intense wild berries fragrance. It has a pleasant and soft tannicity, with a full and persistent flavour. It marries perfectly with red meats, game and aged cheese.
