### **VINIFICATION**

In stainless steel at controlled temperature of 16-18°C.

### **MATURATION**

The wine matures for few months in stainless steel.

### **TASTING NOTES**

Fiano is an historical wine of the Irpinia region. With a straw yellow colour and greenish highlights, on the nose the wine reveals exotic fruit notes, linden flowers and citronella tones, enriched by a capturing hint of hazelnut. Full bodied wine with a good structure enriched by a savory and acid streak.

### **SIZES AND SPECIAL PACKAGING**

75 cl bottles.
