Vini di Qualità

Capirussu Salento Negroamaro

Santa Barbara

CLASSIFICATION	I.G.T.
TYPE	Red
REGION	Puglia (Salento)
PROVINCE	Brindisi
GRAPE VARIETY	Negroamaro
TYPE OF FARMING	Spur Pruned Cordon
HARVEST	Second decade of September.

VINIFICATION

Maceration for 5 days and controlled temperature. After both the alcoholic and malolactic fermentation in stainless steel, the wine is ready for bottling.

MATURATION

In bottle.

TASTING NOTES

Intense red wine with violet highlights. It reveals intense perfumes of ripe fruit, as blackberries, strawberries and raspberries.

SIZES AND SPECIAL PACKAGING

75 cl bottles.
