Vini di Qualità

Gavi del Comune di Gavi

Gemma

CLASSIFICATION	D.O.C.G.
TYPE	White
REGION	Piedmont
PROVINCE	Alessandria
GRAPE VARIETY	Cortese
TYPE OF FARMING	Biologic conversion
HARVEST	First mid of September

VINIFICATION

Traditional vinification at controlled temperature in stainless steel vats.

MATURATION

At the end of vinification, the wine matures for few months in steel vats.

TASTING NOTES

Straw-yellow colour with green bright reflections, it reveals a delicate fruity and floral bouquet. On the palate, these floral and fruity notes persist, with a balanced taste and a good structure, fresh and savory with a good persistence.

SIZES AND SPECIAL PACKAGING

75 cl bottles.
